Aircraft Specification Sheet

\$124,900

Make: Piper
Designator: Pa-30B
Registration: N8226Y

Year Model: 1966
Total Time/Cycles: 6320
Serial Number: 30-1356

Summary:

Riddle: What aircraft has the most renowned reputation for flying fast, sipping fuel while maintaining twin engine reliability?...Hands down, the Piper Twin Comanche! 170 knots, 17gals/hour, and a true joy to fly...look no further that the Twin Comanche.

Recognize this beauty? Perhaps you have seen her in Tom Cruise's blockbuster hit film, "American Made". Don't worry, the narcotics transported in the film were merely "props".

Engine Data:

- Engine Mfg: Textron Lycoming
- Model: IO-320-B
- Left Engine: 550 smoh
- Right Engine: 1520 smoh
- Left Engine overhauled in 2011
- Left Compressions: 70, 70, 75, 76
- Right Compressions: 71, 77, 74, 74
